

### Purpose of Form

Form 04FE008E is used by the emergency foster care contractor when a child is discharged from a hospital setting directly into emergency foster care with written authorization from Department of Human Services.

### Instructions for Preparation of Form

The form is prepared in duplicate by the contract agency upon notification that a child is ready for discharge from a hospital. Dear \_\_\_\_\_: should be followed by the name of the hospital. The form is self-explanatory. It is signed by the CW worker present at the time of the discharge.

### Routing of Form

Original - Contractor  
Copy - Child Welfare worker
