

Purpose of form

The form is optional and it may be used in conjunction with Form 04AF020E (DCFS-61), Parent's Questionnaire, to obtain information about the applicant's children for the purpose of completing an adoptive assessment of the family. This form gathers basic information about the applicant's child's personality and feelings about adoption.

This form is not used in place of face-to-face interviews.

Instructions

One form may be given to the applicants for each child in the family. The appropriate number of forms is given to the adoptive applicant during the assessment process.

Routing

A copy of each set of questionnaires is filed with the adoptive family resource assessment.
