

### Purpose of form

Form 04AF018E documents the background problems, behaviors, emotional problems, and special needs of a prospective child the applicants are willing to accept.

### Instructions

Form 04AF018E is completed by the resource applicants. This form is given to the resource applicants as a part of the application packet and it is returned during the assessment process.

The conditions listed are discussed with the applicants to assist in the assessment of the type of child they can parent. This form is completed for resource re-evaluations.

### Routing

Original - resource record  
Copy - resource applicant  
Copy - resource assessment contractor, if applicable
