

OK AuthentiCare...

is as easy as 1—2—3

OK AuthentiCare is the new system for your Health Care Worker to verify and report services they provide to you. All you need is a touch-tone phone. It is **Free**, Fast and Easy using a Toll-Free number.

Step 1: Check-In

Health Care Worker arrives and Checks-In by dialing a **Toll Free** number.

Step 2: Care

You receive Care.

Step 3: Check-Out

Health Care Worker Checks-Out by dialing a **Toll Free** number, leaves your home, and the time worked is recorded.

Why AuthentiCare?

To be sure you receive the right health care services:

- On the right day
- At the right time
- From the right person

How it works . . .

Health Care Worker arrives to give you services and makes a **Toll Free** call that will take less than two minutes.

You receive your health care services.

The Health Care Worker makes another **Toll Free** call before leaving your home.

The time has been recorded for the Health Care Worker to be paid and the Health Care Worker leaves your home.

What you need to do . . .

It is easy! Just let the Health Care Worker use your touch-tone phone to Check-In and Check-Out.

Please do NOT make the call for YOUR Health Care Worker!
