5310 SPECIALIZED TRANSPORTATION PROGRAM

NATURE OF THE PROGRAM

This program purchases vehicles and other equipment to help private non-profit organizations and public agencies, under certain conditions, provide for the special needs of the elderly and persons with disabilities in urbanized and non-urbanized areas, where existing or proposed transportation services are not adequate. Applicant organizations must provide a matching fund percentage depending on the type of equipment that is ordered. The Federal Transit Administration will finance the remaining cost for approved projects.

Awards will be in the form of vehicle(s) or other approved equipment. Type of vehicle(s) awarded will meet the requirements of the Federal Transit Administration. Vehicles are purchased through statewide contracts. Title to vehicles is held by both the sub-grantee organization and OKDHS Aging Services Division.

APPLICANT ELIGIBILITY

Only private non-profit organizations incorporated within the State of Oklahoma, public agencies and associations determined by the Secretary of Treasury to be an organization described by 26 U.S.C. § 501(c) exempt from taxation under 26 U.S.C. § 501(a) or determined under state law to be nonprofit, are eligible. Documentation certifying the status of being a nonprofit organization will need to accompany each application.

Applications are accepted at any time.

LEGAL AUTHORITY

Chapter 53 of Title 49 of the U.S. Code. Section 5310.
